Limited review report on unaudited quarterly and year-to-date consolidated financial results of Rain Industries Limited under Regulation 33 of the SEBI (Listing Obligations and Disclosures Requirements) Regulation, 2015

To

Board of Directors of Rain Industries Limited

1. We have reviewed the accompanying Statement of unaudited consolidated financial results of Rain Industries Limited and its subsidiaries (the Parent and its subsidiaries together referred to as “the Group”), and its share of the net profit after tax and total comprehensive income of its associate for the quarter ended and year to date results for the period from 01 January 2020 to 30 September 2020 (“the Statement”), being submitted by the Parent pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (“Listing Regulations”).
2. This Statement, which is the responsibility of the Parent’s management and approved by the Parent’s Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 “Interim Financial Reporting” (“Ind AS 34”), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 “*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*”, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the Listing Regulations, to the extent applicable.
5. The Statement includes the results of the entities which have been mentioned in Annexure I to this report.
6. Based on our review conducted and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

7. The Statement includes the financial results of certain subsidiaries which have not been reviewed, whose financial results on a standalone basis reflect total revenue of Rs. 1,557.75 million and Rs. 6,255.89 million, total net profit after tax of Rs. 1,705.76 million and Rs. 1,254.90 million and total comprehensive profit of Rs. 1,666.90 million and Rs. 1,200.06 million for the quarter ended 30 September 2020, and for the period from 1 January 2020 to 30 September 2020 respectively, as considered in the Statement. The above financial results are before giving effect to any intra group eliminations and consolidation adjustments. According to the information and explanations given to us by the management, these financial results on a consolidated basis are not material to the Group.
8. Certain subsidiaries and associate are located outside India whose financial results have been prepared in accordance with accounting principles generally accepted in their respective countries. The Company's management has converted the financial statements of such subsidiaries and associate located outside India from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. 10	<p>The Company's US Subsidiary filed its 2019 U.S. tax return on due date of October 15, 2020. At the time of finalizing its tax return for 2019 year, management opted for GILTI High Tax Exception (HTE). The GILTI high-tax exception will exclude from GILTI income of a CFC that incurs a foreign tax at a rate greater than 90% of the U.S. corporate rate, currently 18.9%. In July, 2020, the U.S. Department of Treasury ("Treasury") and the Internal Revenue Service (IRS) finalized regulations (T.D. 9902) with respect to the global intangible low-taxed income (GILTI) high-tax exception ("Final Regulations"), such election was not available at the time of finalizing 2019 annual consolidated financial statements resulting in a refund of taxes paid for the year 2019 in October 2020 and accordingly recorded the impact of the same as a reversal of earlier year income tax expense during the quarter ended September 30, 2020 as it considers the election as a reasonable tax claim. Any consequential impact of the Company's US Subsidiary continued assessment of the estimates will be recorded in the period in which the estimates are revised.</p> <p>The Company's US Subsidiary filed its 2018 U.S. tax return on due date of October 15, 2019. At the time of finalizing its tax return for 2018 year, management opted for the group election under section 163J as compared to single entity election for the purposes of determining its total taxable income at the time of finalizing its 2018 annual consolidated financial statements resulting in a refund of taxes paid for the year 2018 in October 2019 and accordingly recorded the impact of the same as a reversal of earlier year income tax expense during the quarter ended September 30, 2019 and year ended December 31, 2019 as it considers the election as a reasonable tax claim. Any consequential impact of the Company's US Subsidiary continued assessment of the estimates will be recorded in the period in which the estimates are revised.</p>																																							
11	<p>(i) On September 20, 2019 vide the Taxation Laws (Amendment) Ordinance 2019, the Government of India inserted Section 115BAA in the Income Tax Act 1961 which provides domestic companies a non-reversible option to pay corporate tax at reduced rates effective April 01, 2019, subject to certain conditions. Out of the two major Indian subsidiaries in the Group, One entity elected to exercise the option permitted u/s 115BAA of the Income-tax act, 1961 in the quarter and year ended December 31, 2019. Accordingly, the Group computed provision for income tax for the year ended December 31, 2019 with respect to the Indian subsidiary using the new tax rate and re-measured its Deferred Tax Liabilities basis the rate prescribed in the said section. The change in tax rate resulted in reversal of Deferred Tax Liabilities amounting to INR 153.38 during the year ended December 31, 2019. During quarter ended March 31, 2020, the other Indian subsidiary company also has evaluated and adopted the new tax rate of 25.168%. Accordingly, the Group re-measured its current tax expense and Deferred tax asset/liability basis the rate prescribed in the said section. The change in tax rate resulted in reduction in current tax expense by INR 124.00 and reduction in deferred tax benefit by INR 30.92 for the quarter ended March 31, 2020.</p> <p>(ii) Pursuant to the closure of its operations in Lithoom (refer note 7 above), the Group's German subsidiary entered into a Business transfer compensation agreement with its subsidiary in Netherlands for a consideration representing the agreed transfer price of INR 3,338.02 (EUR 42.20 million). The compensation agreement: being an inter-company transaction does not affect the Group's consolidated financial statements, however considering the local German tax rules, the underlying fair value of business assets acquired, which will be amortised over a period for tax purposes, has been considered to create a tax asset for the German subsidiary representing the temporary timing difference between book base and tax bases. Accordingly, the Group recognized deferred tax benefit for an amount of INR 1,112.07 (EUR 14.10 million) for the year ended December 31, 2019.</p>																																							
12	<p>Effective January 1, 2020, the Group adopted Ind AS 116 - Leases, using the modified retrospective approach replacing the existing lease standard. Under the modified retrospective approach, the provisions of the new lease standard are to be applied by the Group from the effective date (i.e., January 01, 2020) without adjusting the comparative periods. In the consolidated statement of profit and loss for the quarter and nine months ended September 30, 2020, the nature of expenses in respect of operating leases has changed from lease rent in previous period to depreciation on the right to use asset and finance cost for interest accrued on lease liability. There is no material impact on profit after tax and earnings per share for the quarter and nine months ended September 30, 2020 upon adoption of Ind AS 116.</p>
