The Statement has been approved by the Holding Company's Board of Directors. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the Master Circular issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

Notes:

1 The above Statement of unaudited consolidated financial results of Rain Industries Limited ("the Company") along with its subsidiaries (hereinafter referred to as "the Group"), which have been prepared in accordance with the Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with relevant rules issued thereunder, other accounting principles generally accepted in India and guidelines issued by the Securities and Exchange Board of India ('SEBI') were reviewed and recommended by the Audit Committee and approved by the Board of Directors at their meetings held on May 8, 2024 and May 9, 2024 respectively. The Statutory Auditors have carried out a limited review on the unaudited consolidated financial results and issued unmodified report thereon.

2 The Group had recognised a non-cash impairment charge towards Goodwill in Consolidated Statement of Profit and Loss amounting to INR 5,606.74 in Carbon – Calcination and INR 1,712.24 in Carbon – Distillation, as on December 31, 2023 as part of its annual impairment assessment considering geopolitical situations, macroeconomic factors, including rising interest rates and volatility in energy costs impacting the economic environment in which the Cash Generating Units (“CGUs”) operate. With the relief granted by Commission for Air Quality Management, New Delhi in its Order dated February 15, 2024, the impairment charge was determined considering the relief provided in the Order, however there could be increase in capacity utilisation and higher sales volumes in the CGU of Carbon – Calcination which results in improvement in its performance. The Group is in process of implementing the revised business strategy and the same is subject to normal implementation risks.

During the quarter ended December 31, 2023, the Group had re-evaluated the status of certain projects which are under Capital work in progress in the foreign subsidiaries. Based on the status of the project and management evaluation, the Group had recognised an impairment charge of INR 187.17 in the consolidated statement of profit and loss for the quarter and year ended December 31, 2023.

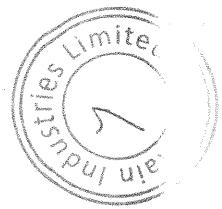

3 In October 2023, the Group had designated certain portion of inter-company loans between US and Germany subsidiaries as net investment in foreign operation with effect from October 1, 2023, considering the long-term nature of the same. Accordingly, the foreign exchange (gain) / loss on such foreign currency loan, determined as an effective net investment in foreign operation is recognised directly through Other Comprehensive Income in Equity. The same will be transferred to the statement of profit and loss upon de-designation/repayment in future.

4 In August 2023, the Group’s subsidiary, Rain Carbon Inc. (RCI), had refinanced its existing Senior Secured Notes due in April 2025 (“2025 Notes”) by issuing US\$ 450.0 million Senior Secured Notes due in September 2029 (“2029 Notes”) and amended and extended the maturity of existing Term Loan B (“TLB”) amounting to €353.5 million from January 2025 to October 2028. Further, RCI has additionally repaid principal of US\$30.0 million on existing Notes due 2025 and €36.5 million on the TLB bringing the principal balance on long term debt down by approximately INR 5,773.43 (US\$ 69.8 million). The 2029 Notes and the TLB are issued at an interest rate of 112.25% (fixed) and EURIBOR + 5% (floating) respectively and are guaranteed by RCI and its subsidiaries in Belgium, Canada, Germany and the USA. The unamortised deferred financing cost relating to existing 2025 Notes and TLB aggregating to INR 318.74 (US\$ 3.9 million) have been expensed during the year ended December 31, 2023 and included in the finance cost.

5 Due to the global implications of the conflict between Russia and Ukraine that started in February 2022, there has been an increase in volatility in the commodity prices, stock and foreign exchange markets. Given this geopolitical uncertainty resulting from this war and the likelihood that changes may occur rapidly or unexpectedly, management has evaluated information available in this regard to assess its potential impact on the Group’s activities such as supply chain disruption, closure / abandonment of operations / manufacturing facilities, travel restrictions, market volatility, recoverability of inter-company loans and repatriation of dividends between group entities, etc. Based on the internal assessment, the management believes that the operations of its Russian entities and the rest of the entities are largely independent of each other and hence it does not foresee any significant impact of the above events on its consolidated financial results. Severtar Holding Limited (SHL), parent company of OOO Rutgers Severtar (“OOORS”), is in the process of re-domiciliation, and based on the completion of preliminary steps with other foreign jurisdiction, has received dividend from OOORS which was further distributed to its shareholders. Further, the Group has complied with the various laws and regulations including sanctions imposed. Considering the continuing uncertainties, the Group will continue to closely monitor any material changes to future economic conditions.
